BTC 2012 AGM

This year the Blue Mountain Bruce Trail Club was very pleased to be able to host the 2012 Bruce Trail Club’s Annual General Meeting on the weekend of September 14th, 15th and 16th.

A big thanks to the Steering Committee for a job well done. Committee Members included: Dick Edwards, Barb Yeo, Cathy Sears, Sue Niblett, Tom Wilson, Dave Knox, Barb Elwood, Shirley Cook, Denman Lawrenson, Jansje Lawrenson and Rosemary Petrie.

Along with the Steering Committee there were many other members who volunteered their time which contributed to another very successful AGM. So once again a big thanks to all.
They say a picture is worth a thousand words so we’ll let the following photo’s tell the rest of the story

Hiking Nova Scotia and Cape Breton

Article By Sue Niblett, Sharon Emerson, Rosemary Petrie and Liz Fowlis

June 12th 2012 the four of us arrived in Halifax to begin our hiking trip through Nova Scotia and Cape Breton. Since most of the Blue Print readers are avid Hikers and have no doubt visited the “Beautiful East” this article will be short. We circumnavigated Nova Scotia. Driving up to Cape Split on the Bay of Fundy and the Minas Basin where we watched the highest tides in the world. Then off to Digby Neck, tiny ferries to Tiverton and Breir Island. Back around the coast to Cape Sable Island, the most Southerly point in Nova Scotia. Did we mention a few forays inland to visit the vineyards of the Annapolis Valley? Perfect! Hiking in the morning and a winery tour in the afternoon.

Hunt’s Point was a favorite place, beautiful little bay and beaches. Then to Lunenberg with its lovely painted wooden buildings and the Opera House which is undergoing a massive reconstruction. Next Mahone Bay and Peggy’s Cove--- with NO Tourists milling about -- Luxury!

A quick tour of Halifax and a drive over the causeway to beautiful Cape Breton where we settled into our cabins at Ingonish. Great to be settled in one place for a week.
Hiking Cape Breton Island:

**C** - Cabot Trail - with it’s panoramic views

**A** - A moose munching on vegetation (within touching distance)

**P** - Phone box in the middle of a vineyard (free worldwide calls)

**E** - Eating great meals at the Chowder House with local Fisherfolk

**B** - Bald Eagles, Puffins, Seals, Kittiwakes, etc. (we saw them all)

**R** - RETURN! Most Definitely

**E** - Easy Elementary Navigation (one road can’t get lost)

**T** - Terrifying, the size of a Fin Whale as it breached near our boat

**O** - One rainy day (we discovered Frenchies the famous discount store)

**N** - No rain worth mentioning in 2 weeks (well except for the day above)

**I** - Impressed by the masses of wild Lupins everywhere

**S** - Sing Along nights at the Pub’s

**L** - Lobster straight from the ocean, boiled in seawater by our amazing hosts Mary & Dave Sea Breeze Cottages

**A** - An offer to use her kitchen to make tea from a lady who was mowing her lawn in Meat Cove

**N** - No crowds of tourists, great time of year to go

**D** - Driving over North Mountain, gasping at the spectacular scenery.

What a country Canada is!!!
The 2012 End to Ends

Article by Barb Elwood

This year is a very special year for the Blue Mountain Bruce Trail Club as we celebrate our 50th Anniversary.

We had our customary two day event in May 2012. There were 80 participants. This year mother nature was kind to us and the muddy slog of last year, turned into a dry trail!

Thanks to Shirley & Del Cook, we had our barbecue on the Saturday night with all their little helpers offering mounds of salad and Shirley’s fantastic desserts! Special thanks to the chefs on the barbecue!

Many thanks also to the helpers at the end to end checkpoints. The hikers appreciated all the snacks and drinks and the efforts to have cold water and ice! Thanks checkpoint helpers and organizers!

10km End to Ends
This was a series of seven 10 km hikes, with a different leader each time, beginning in June and finishing in October. I believe a memorable one is the one where Mother nature decided to rain continuously!

Thanks to the hike leaders and keep on trekking hikers. Our special 50th Anniversary Badge is worth it!!

5km End to Ends
This was a series of 13 hikes organized by Herman Ohrt. We did not have rain, but we did hike through snow and spring flowers! Yes the badge is worth it!

The badge was designed by Del Cook.
Del and Shirley Retire from BMBTC

Article by Cathy Sears

Our favourite volunteer couple, Del and Shirley Cook, will be leaving our area to start a new chapter of their lives in Wellesley in the Kitchener/Waterloo area of Ontario. Their valuable contribution and faithful 15 years of service to the BMBTC has been remarkable. Del has held many positions on the executive team of the BMBTC, some of which included Hiking Director, Newsletter Editor and Treasurer. Del also spent many years leading hikes, and hours and hours of maintenance work on the trails from operating a chain saw to tree planting, trail blazing, etc.

Shirley has been Social Coordinator Extraordinaire for many years and we have all enjoyed her creative appetizers and organizational skills in making our get-togethers THE social event of the year. Shirley was a key organizer for two very successful BMBTC Annual General Meetings as well as several fund and FUN raisers such as the 2011 Dance, numerous Tree Sales and Raffles. Their caring nature and helpful advice has set many a new hiker on the right path to enjoying our beautiful trails.

Many lives have been affected by the Cook's involvement in our community, anytime a hand was needed the Cooks were always there. Collingwood's loss is Wellesley's gain. We will surely miss you both.
The newly acquired Noisy River Stewardship Property is almost ready for hiking and snowshoeing

Article by Dave Knox

The property was the site of our AGM’s Saturday afternoon feature hike (Bill Baker Environmental Hike). The 81 acre property was once part of the Etobicoke Board of Education’s Outdoor Education Centre. After Metro amalgamation, the property became surplus. We applaud the BTC for purchasing this parcel, which has the Noisy River flowing right through it. Access to the property is to be from the Mulmur-Clearview townline. Opposite our property, the townline is a gravel summer road. Before the proposed loop side trail is declared open for Bruce Trail hikers, parking along the south side of the property should be improved. Dick Edwards has constructed a temporary entrance along the frost fence that lines the property’s southern boundary. On August 22nd Dick Edwards, Linda Finley, Tom Wilson and I walked the property to mark the Sept. 15th hike route and to continue the task of clearing trail. It is hoped that in the near future this route will become the main part of a new Bruce side Trail, duly approved by BTC staff and committees. BTC staff members Adam Brylowski and Brian Popelier, leaders of the AGM hike, have spent considerable time at Noisy River, preparing the background stewardship information and recommendations for the property.
The stewards for Noisy River are Mandy St. Germaine and her partner Bob Wiele. Bob attended our spring land stewards workshop in Owen Sound on May 26th. Mandy and Bob are looking forward to their stewardship duties.

BTC Cartographer Scott Langley has made use of our GPS field readings to draw a tentative loop side trail within the Noisy River property. Once a route has been approved by the BTC Environment Committee, it should be clear sailing for Trail Director Linda Finley and her trail crew. We will continue to organize work parties for club volunteers to help with the trail blazing. On several of the hills, we will have to construct steps, in order to avoid erosion and to make the trails safer.

The signs to be erected must encourage hikers to follow the blazes and stay on trail. Just to the south west of the Noisy River BTC managed property is the privately owned Lavender Falls. The owners have told us that anyone leaving the BTC property to view or visit Lavender Falls will be trespassing on their private property. We’ve informed them that signs will be erected to direct Noisy River trail hikers away from the falls.

If you wish to volunteer for a future work party, keep in touch with Linda Finley, Dave Knox or Dick Edwards.

Dave Knox
Once again this year, a group of volunteers from our Blue Mountain Bruce Trail Club gave their time and talent at the Centurion Bike event held on Sunday, September 16, 2012 in our beautiful area. Our members performed duties such as driving the Support and Gear Vehicles (SAG), removing computer chips from bicycles at the finish line, sorting paperwork, vehicle/bike/people control, bike valet, moving boxes, and anything else the crew could throw our way. We serviced over 3,000 cyclists. Once again we have proved that we are an amazing group of people. Thanks to all involved.

50 Km In One Day

A big congratulations to Hart Fischer and Barb Yeo who participated in and completed *The 50 Km Trailblazers Challenge* on June 24th.

In addition to hiking such a tremendous distance along one of the most difficult (hilly) sections of the Bruce Trail, they each raised $500 towards the BTC’s 50th Anniversary Goal of securing, stewarding and making available to the public 5,000 additional acres of Niagara Escarpment land by 2017.

*Way to go Hart and Barb!!*
In celebration of its 50th anniversary in 2012.

The Sydenham Bruce Trail Club has published the 2nd edition of its highly regarded Looping Through Sydenham guide.

Approximately 170 km of the Bruce Trail winds its way through the Sydenham Club’s section from Blantyre through Owen Sound to Wiarton.

Now updated and expanded to include 25 enjoyable walks with maps, notes and narratives, it is a handy pocket-sized reference.

Each hike description includes key details such as the trail length, the estimated time of completion, the degree of difficulty, access routes, and parking. And beyond that, it explores the human and natural history of the area, such as nineteenth century mills, and the flora, fauna, ferns and fossils along the way.

All proceeds from the book will support the Bruce Trail Conservancy in its mission to secure in perpetuity a conservation corridor and public footpath along the Niagara Escarpment.

It sells for $20.00 and is available at local bookstores in the area and from Sydenham Board members. For more ordering information you can contact:

HIKER’S CHECK LIST

Check distance, pace and terrain of hike to ensure it is within your fitness level. Call the hike leader before the hike if you have any questions or concerns.

If you have any health problems that could affect your hiking performance, inform the hike leader.
Note: If you have any known asthma, allergies or hay fever, carry antihistamines. Asthma sufferers should carry their asthma medications or inhalers and, in winter, always carry an inhaler. Allergy suffers should carry an EpiPen(s) and ensure someone on the hike knows where you carry these. Diabetics should carry their medication.

Wear comfortable boots/shoes.

Take a spare pair of shoes to change into at the end of the hike or carry plastic bags to protect the car from muddy boots and remember your car keys.

Have a backpack or waist pack to carry the following:
Cell Phone
Water or other beverages in screw top containers (extra in summer or on longer hikes)
Snacks (plus lunch if indicated in the hike write-up)
Plastic poncho/rain gear to conserve heat and provide seating and rain protection
Spare pair of socks and boot/shoelaces, duct tape, whistle, 2 aspirin
In winter: Thermal blanket-space blanket, extra layer of clothing
In other seasons: Insect repellent, sun block
