

Bruce Trail
CONSERVANCY
BLUE MOUNTAINS CLUB

BMBTC Hiking Reminders:

1. All hikes meet fifteen minutes prior to start time behind Tim Hortons on First St., Collingwood. Hikes start at 9:30AM during the winter months unless otherwise indicated. After March 11, 2023, hikes start at 9:00AM unless otherwise indicated.
2. On-line registration is the preferred sign-up procedure. Hikers are welcome to show up the morning of the hike prepared to sign-in (have BTC membership #).
3. Always check the on-line BTC calendar for the most up-to-date changes for a hike (if a hike gets canceled), especially if you do not register on-line.
4. When canceling a registration, go on-line to MY HIKES and cancel the hike. If you are canceling 24 hours or less, email the Hike Leader with this information.
5. If you choose to meet at the trailhead rather than the morning sign-in location, **ALWAYS** make contact with and confirm with the leader where you are to meet. To avoid any confusion, please make sure you have confirmation from the leader to avoid any mix ups.
6. **All km markings are based on The Bruce Trail Reference Edition 30.**
7. All hikes require you to bring 2-4 litres of water depending on the length of your hike and the temperature. The same amount is required for winter hiking. Bring snacks or lunch.
8. Hikers are expected to wear appropriate attire for the weather and the terrain. **You must wear appropriate hiking footwear for ALL hikes.** In winter, snowshoes or crampons (icers) are needed when conditions dictate. It is a good idea to bring both these items if there is snow on the ground. The hike leader will advise what is most appropriate to wear based on their pre-hike. Hiking poles are a good idea in any season, especially if the terrain is rocky or slippery. Wearing appropriate clothing and footwear prevents injuries and shows consideration for a safe and positive group hiking experience. In winter, try to layer clothing in order to stay warm yet avoid overheating. Be aware of frostbite! In summer, bring bug spray, bug net, sunscreen. No matter the season, **you will not be able to participate in the hike without proper footwear.**
9. Ensure you have read the hike description, length and pace of hike. Pick your hike based on your ability as a hiker.
10. Always carry I.D. and your health card.
11. Bring your own first aid kit.
12. Please leave dogs at home.

Follow the safe hiking guidelines as outlined by the Bruce Trail Conservancy:

DAYLIGHT SAVINGS TIME...TURN CLOCKS BACK!!! Hikes start at 9:30AM

Wednesday, November 9, 2022 Balsam Wetlands Area

Time: 9:30AM

This is a linear hike involving a car shuttle. Starting at the BTC parking lot off Cty. Rd. 91, we will head east along the blue blazed side trail to join the former Duntroon View Side Trail (now a white blazed trail), passing deep crevices along the way. The trail follows along the locally dubbed "Walker Walkway" adjacent to the Duntroon Quarry where operations are clearly visible. We will then enter the newly acquired Balsam Wetlands Nature Reserve where we will meander our way through mixed forest until we reach the gently rolling hills of the cross-country ski network. We follow this trail to a dense pine forest and out to farmers fields. Bring a snack and water.

Saturday, January 14, 2023 Walters Falls Time: 9:30AM

The 5km snowshoe loop provides an interesting blend of the scenic and the historic along the river and surrounding woods. There are some steep, but short ascents. The second half of the 19th century saw the area develop into a thriving community, built around the water power of Walter Creek. At the start, take in the view of the falls and valley from the observation platform. Near the hike's end, the steepness of the bank makes the strenuous climb up worthwhile especially if you plan to stay for lunch at the Inn. Bring water and a snack.
