

## Bruce Trail Conservancy Blue Mountain Club

### Mowing and Trimming Crew

#### Description

As a member of the mowing and trimming crew, you will be responsible for controlling grass and vegetation overgrowth on our trails to ensure safe and enjoyable hiking conditions. Experience with the safe operation and maintenance of mowing and trimming equipment is required. Access to a vehicle to transport equipment to trail sites along our section is necessary. You will be responsible for establishing a regular mowing schedule and also responding to any special situations that may be identified during the season.
